### SUPERINTENDENT'S REPORT

#### TO THE SCHOOL BOARD AND CITIZENS OF LANDAFF:

The total enrollment of your schools last year was 55 as compared to a total of 63 the previous year. The average membership was 49.54 and the percent. of attendance 92.46. There were ten pupils attending Lisbon High school.

This year your present enrollment is 47, and there are six pupils attending Lisbon High school.

The number of pupils attending high school next year will probably be increased to ten or eleven. This means an increase of about \$400 in high school tuition and a corresponding increase in your budget total. This will not cause an increase in the appropriation as it is absorbed by the estimated balance at the end of the year. The amount recommended by your School Board to finance next year's budget is \$2,400, the same amount as was raised last year.

Respectfully submitted,

F. LESTER TRAFTON,

Superintendent of Schools.
